

Writing E-Course

Let Me Help You Write E-Course is for writers who want to, *once and for all*, write your stories, your wisdom & your experiences down. When you finally take pen to paper, or hands to keyboard, *the muse arrives to inspire*. (This is also a great course for anyone who wants to begin the spiritual practice of journaling.)

This 5 week Writing E-Course will allow you to:

- *Honor your deeply held desire to write.
- *Take time, take action, take space for your expression.
- *Connect spiritually with yourself & your muse.
- *Learn specific techniques for your practice of writing.
- *Hear tips & secrets from the best writers.
- *Begin that journaling practice just for you.
- *Find a way for your creative expression.
- *Start, once and for all & see what is next for you with your writing.

Cost \$198.
