

Women Writing

for inspiration
soulful connection
and empowerment

**8 Sunday
gatherings
from 3-5 pm:**

March 22

April 5, 19, 26

May 3, 17, 31

June 7

In this 8 week series, we will explore and integrate several writing practices for **ancestral healing, clarity, visioning, spiritual connection, creativity, & to discover what wants to be expressed from within.**

Whether you are seeking publication or wanting to empower your own emotional & spiritual intelligence, this workshop is for you.

As a published author, founder of Ancestral Weaving, a certified Shadow Work® facilitator/coach, and current MFA student in Creative Writing, I will offer individual & group experiential **techniques to integrate in your writing & in your life.**
